SUBJECT : Proposed Regulation [REDACTED] "Collection of  
Employee Indebtedness Resulting from Erroneous  
Payments

1. The attached proposed Regulation has been developed by the Comptroller to establish procedures required under Public Law 497, 83rd Congress.

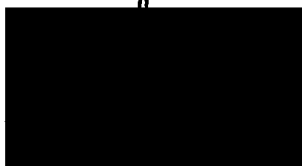

2. As you will recall, Budget Circular A-14 required that the draft of the proposed Agency Regulation be submitted to the Bureau of the Budget for its review and concurrence prior to release as an official Agency Regulation.

3. The proposed Regulation has been coordinated with the other five major office heads, the Inspector General, the Comptroller, and General Counsel.

4. The proposed Regulation is classified SECRET in its present form, however, it can be sterilized by removing the names of the components in Paragraph 5 so that it will read " . . . . . may request that a review be made jointly by the Comptroller and the Chief, or his designee, of the office within which the individual is employed." This method of sterilization has the concurrence of the Security Office. Then an "OFFICIAL USE ONLY" classification can be used.

5. It is recommended that you concur in the release of this Regulation to the Bureau of the Budget thru the Comptroller.
